This special edition Coachman is in excellent condition and has such a practical Family layout: long front seating, fixed end bunks, and opposite a large double dinette with bunk above. Plus a large washroom with a seperate shower cubicle. Opposite again as a large kitchen with everything needed PLUS as with all our tourers the Coachman would have a full NCC Approved Pre Delivery Inspection, internal valet, external wash and a working Handover Demonstration to show everything working and to give any tips we can to help. AND a Nationally backed comprehensive Warranty for peace of mind caravanning. Trust in Ennis to make your amazing caravanning memories:).
