This Special Edition Caravan 5 berth, fixed bed model, being 23' long inside and 8' wide would make an ideal Seasonal tourer. For the asking price it would be full converted with fitted Washroom, hot & cold water system, fitted toilet and shower, kitchen sink, mixer taps. Plus a full NCC Approved Workshop PDI, deep clean valet, external wash and a full working Handover demo with a National Warranty. If this is not needed please let us know and we can reduce the price.
