PART EXCHANGES WELCOME	FINANCE AVAILABLE SUBJECT TO AVAILABILITY

The Sprite Major 6 TD is undoubtedly one of Britain's best family caravans in terms of value and layout and this one has been really well looked after. Up front, the lounge area is bright and spacious, with the lounge seats converting quickly and easily into a large double bed. A centre bathroom with a separate shower. At the rear is another seating area that converts into a single bed with another bunk going above this when required, also fixed bunk beds. This area can be partitioned off when required to separate it from the lounge area. Fitted features include; motor mover, alloy wheels, bike rack, 3 hob, oven and grill, fridge, fly nets, and blinds. As with all our caravans and motorhomes this model would be purchased with a NCC Approved Workshop PDI, deep clean valet, external wash and a comprehensive working Handover Demonstration to give confidence. PLUS, a Nationally backed Warranty for peace of mind.
