This is a well looked after lightweight tourer that would make a wonderful first caravan for singles/couples. It has a nice size end bathroom with separate shower, fridge, oven and 4 hob burner, and at the front the seating converts to a large double bed. As with all our caravans and motorhomes this model would be purchased with a NCC Approved Workshop PDI, deep clean valet, external wash and a comprehensive working Handover Demonstration to give confidence. PLUS, a Nationally backed Warranty for peace of mind caravanning; trust in Ennis to help you create some amazing memories :)
