Another special edition model from Coachman, this fixed bed 4 Berth is well worth a look. Few little things to sort aesthetically but otherwise a cracking tourer. Fixed features; external gas BBQ point, alloy wheels, solar panel and AL-KO ATC. As with all our caravans and motorhomes this model would be purchased with a NCC Approved Workshop PDI, deep clean valet, external wash and a comprehensive working Handover Demonstration to give confidence. PLUS, a Nationally backed Warranty for peace of mind caravanning; trust in Ennis to help you create some amazing memories :)
